

Genius Garden Tarot Go App

Introduction

Introducing the Genius Garden Tarot App, your all-in-one digital companion for the captivating 78-card hand-painted tarot deck. This app revolutionizes the way you connect with the tarot, replacing the traditional guidebook with a seamless digital resource that brings the magic of the cards to your fingertips.

Empowering Tarot Enthusiasts

The Genius Garden Tarot App is designed to enhance your tarot experience. Gone are the days of carrying around a physical guidebook; with this app, you can instantly access comprehensive information about each card, ensuring that the wisdom of the tarot is always within reach.

Key Features

- **Card Search:** Find any card and view its image and description.
- **One-Card Reading:** Get a randomly generated card and insight.
- **Three-Card Reading:** Explore past, present, and future with auto-generated cards.

User-Friendly Design

The app's intuitive interface mirrors the physical deck, ensuring easy navigation and insightful readings.

Anywhere, Anytime

Access personalized tarot insights wherever you are—urban bustle or tranquil nature.

Tech Specs

- **Backend:** Spring framework and Java for responsiveness.
- **Database:** Secure SQL storage for cards and user data.
- **Frontend:** Elegant UI connecting users with tarot's wisdom.

Elevate Your Tarot Experience

Embrace the Genius Garden Tarot App and modernize your tarot journey. Seek guidance, inspiration, and wisdom whenever and wherever you desire.
